

I'm Amazed (Capo 2)

D A/D Bm Bm7
Just another day, and a little bit older **(Verse 1)**

G D A A2
Still I'm reminded of my need to praise

D A/D Bm Bm7
All of my needs and all of my wants
G D Asus A
Simply fade away when I'm on my knees to pray

D A/D Bm Bm7
Fearfully and wonderfully made I am
G D Em7 A
By this You chose me Lord You have a plan

D A/D Bm G
I'm amazed by everything about You **(Chorus)**

D A/D Bm G
I'm amazed by everything You do

D A/D Bm G
I'm amazed by Your mighty power

G Asus D A/D G D A/D G
Your love has captured me, I'm amazed, I'm amazed

D A/D Bm Bm7
Seeing Your love poured out for me **(Verse 2)**

G D Em7 A
On an old rugged cross You gave Your life

D A/D Bm Bm7
So my eyes will stay focused on You

G Asus A
Where there is no worry and there is no strife. **(Repeat Chorus)**

Bm F#m G D G A
Je sus You're everything to me, I will trust You (Echo) **(Bridge)**

Bm F#m G D
Je sus, You're the lighthouse on the sea,

G Asus A
When the waves get high I'll still believe
